

CHILDREN'S FUND

The New Hampshire Foundation for Teaching and Learning established the **Children's Fund** to help children obtain items or services essential to success in school, including clothes, medical care, food, transportation or related services **not provided by another agency.**

- Our assistance is intended to meet immediate short term (not ongoing) needs.
- All assistance should directly benefit the child.
- The level of assistance is based on need and availability of funds.
- The child must be a Public School Student or Pre-schooler.
- The applications must be submitted by a school professional.
- **All applications require prior approval before funds can be dispersed.**
- All requests are handled in confidence.

A child's physical, social and/or emotional needs should not stand in the way of success in school.
